

CLIENT FOCUSED LAW FIRM OF THE YEAR - LUXEMBOURG

Winner:

Wildgen, Partners in Law, is one of Luxembourg's leading law firms, covering all aspects of local and global business law. Clients seek the firm's services in a variety of areas including Corporate Law, Banking and Finance, Insurance and Reinsurance, Investment funds and Capital Markets, Real Estate, Administrative Law, Aviation, Employment and Pensions and Islamic Finance.

Since the 1980's, the firm has undergone a significant development jointly with the economic boom witnessed by the Luxembourg financial market. The financial and corporate clients of Luxembourg-based law firms are often world leaders in their field, and the transactions on which they seek legal advice are often sophisticated and of high value. Wildgen's partners and associates negotiate high-level structured financing, assist in larger transactions and offer services like the setting up and daily management of the various forms of companies existing in Luxembourg.

Clients choose WILDGEN for an expert guide to starting, developing, and ensuring legal conformity of their future project.

WILDGEN offers expert assistance and high-quality commercial and practical advice to its large portfolio of domestic and international clients on various types of corporate law matters.

Wildgen emphasises the qualities of teamwork, operational efficiency and timeliness. Based on the team's expertise, the firm is able to meet each client's individual needs and offer full strategic, human and logistic support at any time.

With years of experience, Wildgen's lawyers have developed an acute understanding of key business and industry sectors. They also understand the pressure their clients face and are fully committed to their success.

Wildgen requires from its staff a business-oriented, team-spirited attitude as well as demonstrating high-level professional standards. The firm stresses the values of the profession in a modern world: a sense of ethics and integrity, pro-activity and responsiveness, a multilingual and multicultural staff and the utmost flexibility. In the words of one client: "Wildgen's lawyers know what really matters and do not hide behind the law". **ACQ**
